

The screenshot shows the e-Jobs Observatory website. At the top, there is a navigation bar with links for 'home', 'about', 'contact', and 'questionnaires'. Below this, the main content area is divided into several sections:
 

- Visit latest News!** and **Create News Item**
- Blog** (Professional blog service)
- Forum** (Post comments in the forum!)
- Other info** (Free web resources - articles, tutorials, tips and tricks)
- Contact Us** (Contact us for more details through our contact us form, questionnaire, review)

**eJobs - Observatory** is a service of the PIN project.

The **ProInterNet** project aims at taking an in-depth look at the fast growing area of Internet-related jobs.

### Why get involved?

A fully functioning labour market is the prerequisite for a fully functioning economy which is the prerequisite of a fully functional, socially coherent and inclusive society. Tell us your needs (as company, worker or training institution), tell us best and worst practice cases – and become part of a cross-stakeholder network that can shape "news skills for new jobs".

### How get involved?

Visit **[www.e-jobs-observatory.eu](http://www.e-jobs-observatory.eu)** and register as user – it takes only two minutes.
