

SONETOR

Training of cultural mediators utilizing
new Social Networking Software

„A European cooperation project to train, support and connect Cultural Mediators across Europe to facilitate improved interculturalism and to enhance the exchange of experiences and ideas.“

We are pleased to invite you to the

SONETOR PROJECT INFORMATION EVENT

- ...to learn about the SONETOR Project its products and tools specifically designed to aid cultural mediators.
- ...to be briefed on and engage with the social networking platform incorporating the online training material and other tools available on the platform.
- ...to share the experience and ideas of the project partners and the other users of the platform and the lessons they have learnt through engagement with the project.
- ...to discuss and debate topics and issues pertaining to Cultural Mediation with colleagues working in the field and identifying how you can contribute to the project and improve the training platform.
