

SOCIAL NETWORKING PLATFORM

for CULTURAL MEDIATORS

The partners of the European cooperation project **SONETOR** have developed several attractive **products for Cultural Mediators across Europe**. This project and its outcomes specifically aim at counsellors, teachers, trainers, students, public servants and many other professionals in the sectors education, social affairs and health confronted with issues of **interculturalism**.

The purpose of the products is to raise knowledge, skills and competence of SONETOR stakeholders, interested people, organisations and partners. The project partnership aims at enhancing networking activities and wants to promote the transnational exchange of knowledge and experience within this field.

These are the main results in detail

- Social Networking Platform**
- Training content and Peer Learning Scenarios
- Draft Job Profile
- Workshops for Cultural Mediators

Find out more on www.sonetor-project.eu

SONETOR is a European cooperation project to train, support and connect Cultural Mediators across Europe to facilitate improved interculturalism and to enhance the exchange of experiences and ideas.

SONETOR SOCIAL NETWORKING PLATFORM

This internet-based multilingual social networking platform for the European community of cultural mediators offers is a free learning resource where upon registration the user will have access to tools that will afford them access to:
